 Defendant.)

On June 3, 2008, the Honorable James C. England, United States Magistrate Judge for the Western District of Missouri, issued his Report and Recommendation recommending that Defendant's Motion to Sever or, in the Alternative, Motion to Dismiss, (Doc. # 201) be denied. Neither party filed objections to the Report and Recommendation, and the time for doing so has passed. 28 U.S.C. § 636(b)(1)(C); Local Rule 74.1(a)(2). Accordingly, Judge England's Report and Recommendation (Doc. # 215) is adopted as the Order of the Court, and Defendant's Motion to Sever or, in the Alternative, Motion to Dismiss, is denied.
